Product Description

GreenWorks OptimusZ 32" 8kWh Stand-On Zero Turn Mower | CZ32S8X

The Greenworks 36" 8kWh Commercial Compact Stand-on mower stands out as the preeminent compact stand-on zero-turn mower in the market, incorporating cutting-edge technology for superior power and advanced functionality. Positioned as the ultimate productivity machine, this unit prioritizes user comfort and safety as integral components of its design philosophy.

- **All-day cutting performance:** Confidently mow up to 7 acres and enjoy 5 hours of run time
 - **Clean and comfortable performance:** Zero emissions, zero vibrations, and reduced noise for operator comfort and compliance
 - **More power than traditional zero turn mowers:** 8WH battery design equivalent to a 22HP gas engine
 - **Work faster:** Ground speeds of 10 MPH
 - **Best cutting performance:** Constant 19,000 FPM blade tip speed
 - **Mow everywhere:** Easily handle all terrains and 15 degree slopes
 - **Smart 4G connectivity:** Provides anti-theft mechanisms and remote diagnostics for comprehensive insight
 - **Cut down operating expenses:** Eliminates gas and filters and reduces maintenance costs
-
